

Year 11 Preparing for adult life

This year, year 11 will:

- all get the chance to complete a food hygiene course which will give them a level 2 certificate, to give them something practical to put on their CV. There is a cost of £8 per student for this qualification.
- learn about relevant finances as they progress towards greater independence
- learn about driving so they are prepared to take that step when the time comes
- take part in a practical first aid session
- have a lesson on Exams Preparation leading into their Mock exams (which are after half term)

All these sessions will be on a rotation over two days.

Total cost £8
