Keeping In-touch Tuesday

21 April 2026

Keeping 'in-touch'! Your weekly update connecting you with all the exciting opportunities and events coming up @THS!

Click on the envelopes to read the letters and remember, all these letters can also be found on our website under **Key Information > Letters to families**

Whole School Messages

As we begin the coming term, we are pleased to welcome students back to school and set the tone for what promises to be a busy and rewarding period ahead.

This term is particularly significant for our GCSE students, who will be focusing on final preparation and examinations. We encourage all students to approach their studies with confidence and determination, making the most of revision opportunities and the support available from staff. Good attendance, organisation and positive routines will be key to success.

We are also looking forward to our next Enrichment Day, which offers students the chance to explore new interests, develop wider skills and enjoy learning beyond the classroom. Please take the time to read the letters below outlining the arrangements for these experiences which form an important part of school life and help to build character, teamwork and confidence.

We wish everyone a positive start to the term and look forward to working together to ensure it is both productive and enjoyable for all.

PE Kit
policy update

Information for all families about some changes to our PE kit policy
