Message from Miss Lewis

Dear families,

As we reach the end of another busy and exciting half term, I would like to take this opportunity to thank you for your continued support of our school community and in particular your support around the changes that we have made to the start of the school day and the move towards becoming a phone free school as of June 22nd.

The changes to the start of the school day have had a significant impact on a more calm and settled start to the day, the team are really enjoying the opportunity of welcoming every student into school in the morning and supporting them with any concerns that they may have so we can stop little problems escalating. Our students are very polite, and your day doesn't start more positively than hearing our students politely respond to us by wishing us a good day. As a reminder student drop off on the school site is at 0820, unless an earlier start time has been pre agreed with the school.

We had our first SEND coffee morning on 25th April to share the vision for inclusivity at Tiverton High School, this was a great opportunity to meet with families and introduce our new parent/carers advocate for SEND, Annie Middleton, who will be working with the school and families to drive the vision of SEND.

We have also had our first full governing body meeting this half term since officially converting to Blackdown Education Partnership, whereby we reported to the governors the impact of our priorities and I am pleased to report that the governors are really pleased with the direction that school is moving in.

This term has been filled with many achievements, both inside and outside the classroom.

Year 11

As we move through this important exam period, I would like to take a moment to recognise the tremendous effort, resilience, and determination our students have shown. We are incredibly proud of the maturity and focus they continue to demonstrate each day.

Thank you to our families for your ongoing encouragement and support during this important time and thank you also to our dedicated staff, whose care and hard work continue to make such a positive difference to the lives of our young people every day. We encourage all students to continue working hard over the holidays so that they return feeling confident, prepared, and ready to achieve their very best, but to ensure that they balance this with looking after their own well-being and doing something nice every day.

Year 10 Tors Team

On Saturday 9th May two teams set out for this year's Ten Tors. Both Teams did incredibly well with their timings, on Saturday night they set up their camp on point with their estimated times and locations and finishing ahead of schedule on Sunday. George C was asked to give a radio interview with BBC Radio Devon. Well done to all the students who took part in this amazing experience and to all the staff, volunteers and families who supported our young people in the lead up and on the weekend of the event.

Congratulations to our Ten Tors Teams

Year 9 Bronze Duke of Edinburgh Award

On Saturday 16th May, 19 students embarked on their Bronze D of E expedition. The Haven Banks staff were really impressed with the way the three teams worked together; they were a credit to the school on the campsite and when sharing walkways with other walkers and cyclists. The students walked through wind, rain and sunshine and every student passed the expedition element of their award.

As we break for the holidays, I hope that all families have the opportunity to rest, recharge, and enjoy time together. We look forward to welcoming students back on Monday 1st June ready for another exciting chapter of our journey.

On behalf of everyone at the school, I wish you a safe, restful, and enjoyable break.

Kind regards

Nicky Lewis

Whole School Messages

All year groups

Please be reminded that all student absences must be reported to us before 8:30 am via email attendance@tiverton.devon.sch.uk or phone 01884 256655. We will no longer be accepting absence notifications via Class Charts, as this method has become less widely used with our families. Thank you for your cooperation in helping us ensure clear and consistent communication.
