Uniform Review

Next year we would like to review our Tiverton High School uniform in preparation for the academic year starting 2027/28. We are keen to consider whether any changes will be beneficial for our students and families. As part of this review, your voice is really important to help us inform our decision making. Our aim is to ensure that any potential changes reflect the needs of our school community, remain practical and affordable, and continue to promote a sense of belonging and pride in the school. We would therefore greatly appreciate your feedback by taking part in this short survey.

As we review the uniform, if your child's blazer still fits them and is in good condition, we would encourage you not to purchase a new blazer for next year. If your child's blazer no longer fits them or is in poor condition please let our admin team know by emailing admin@tiverton.devon.sch.uk.

In light of this, students will keep their current year group ties as they move up a year group, please click on this [link](#) if you are unsure which tie your child should have. Therefore, there will be no requirement for parents to buy a new tie this year (unless lost or damaged). I would like to remind you that the Tiverton High School uniform will remain the same from September, academic year 2026-2027. At this moment in time, this is just an information gathering process.

I would like to thank you for your continued support and for taking the time to share your views.

Kind regards

Miss N Lewis
Headteacher

Change of details

Don't forget to tell us if your details change. Please complete the form to tell let us know

Dates for your diary

A reminder that school is closed this Friday, 3 July for our whole trust INSET day, and the end of the summer term is 1pm on Thursday 16 July

Term dates 26-27

PSHE Survey

At Tiverton High School, we are currently reviewing and updating our PSHE curriculum in line with the latest statutory guidance for Relationships, Sex and Health Education (RSHE). You can access this guidance here: [Relationships and sex education \(RSE\) and health education - GOV.UK](https://www.gov.uk/guidance/relationships-and-sex-education-rse-and-health-education).

A key part of this process is to consult with parents and carers, ensuring that we maintain a strong partnership between home and school and that you have the opportunity to share your views. We recognise that elements of this curriculum can be complex and, at times, sensitive. It is therefore important to us that you feel fully informed about what is being taught, as well as your rights as a parent or carer.

We would be grateful if you could complete the survey below and indicate your preferred date for a follow-up consultation meeting. This session will provide an opportunity to ask questions and discuss the curriculum in more detail.

If you are unable to attend, or if you would prefer to contact us directly, please feel free to email our PSHE Lead, Emily Ferret, at eferret@tiverton.devon.sch.uk.

Highlights from last week

Last week was full of exciting events, including Year 6 Transition Day, the Year 11 Leavers' Prom, and Year 10 Careers Day. Despite the extreme heat, all students showed fantastic resilience and enthusiasm—well done to everyone involved!
