

23 October 2026

Dear families

GCSE Information Evening

As your child embarks on the final stage of their GCSE journey, we would like to invite you to our Year 10 GCSE Information Evening.

- **Date:** 16/11/26
- **Time:** 5pm – 6pm
- **Venue:** Tiverton High School Assembly Hall

This evening has been organised to provide parents and carers with important information about how we can work together to support students in achieving their very best outcomes in Summer 2028.

During the evening, members of our leadership team and subject specialists will discuss a range of key topics, including:

The Importance of Excellent Attendance

Regular attendance is one of the strongest indicators of academic success. We will explain the impact attendance has on GCSE outcomes and outline how we can work together to ensure students make the most of every learning opportunity.

Effective Revision Strategies

We will share practical, evidence-based revision techniques that students can use to revise more effectively. Parents will also receive guidance on how to support revision at home and help students develop productive study habits and routines.

Intervention and Additional Support

Students will have access to a variety of intervention opportunities throughout the year. We will outline the support available, including after-school revision sessions, targeted intervention programmes, subject-specific workshops, and bespoke support designed to help every student reach their potential.

Revision Guides Available to Purchase

To support students with their independent study, there will also be an opportunity to purchase revision guides and study materials during the evening. These resources have been carefully selected by subject leaders and are recommended to help students prepare effectively for their GCSE examinations.

6th form colleges and careers

A number of colleges including Exeter College will be in attendance. They will be available from 4:30pm by the assembly hall to answer any questions or to give advice.

Year 10 is a challenging but exciting year, and a strong partnership between home and school is crucial in helping students succeed. We strongly encourage all parents and carers to attend this important event and take advantage of the information and resources available.

We look forward to welcoming you and working together to support your child's success.

Kind regards,

Mr M Atkinson
Deputy Headteacher
